

Cards for Troops Group

The group will meet once a month to make cards to send to the Blue Star Moms who distribute cards to our troops overseas. The types of cards most requested by the troops are those they can send home to loved ones. They include Happy Birthday, Missing You, Anniversary, I Love You, Thinking of You, Valentine's Day, assorted Holidays, Graduation, etc.

We will meet on the 3rd Thursday of the month, starting at 1PM, going on into the early evening. Those who are at home during the day can come and stamp beginning at 1pm, and stamp until they wish to leave. Those who work, can come after they get off work and stamp as long as they wish. I will keep all the cards and put them in a large Priority mailing box until it gets full. Once a box is full I will send it off. I will provide the colored cardstock, inks, stamps, embellishments, work space and card designs and layouts. Each member's supplies will be kept in a 12x12 craft folder so if they miss a session, they will still have their own supplies to use the next time they come.

Each member will be required to purchase the following items through me.

- 1 ½ packs of Whisper white card stock
- 1 ½ packs Very Vanilla card stock
- 1 pack each Vanilla and White envelopes to be included with each card
- 1 Craft keeper to hold each person's supplies (will be labeled with person's name)

The cost of these products for each participant is : \$47.00 (includes shipping & tax)

This will make 80 sets of cards and envelopes.

All these products will be purchased from me on a group buy to take advantage of a workshop order and get some special stamps to be used with this group. The stamp set I am suggesting is Punched Posies (a level II hostess stamp that fits our punches) and a stamp set from the holiday stamp sets available this year, along with some of the new ribbons and/or embellishments. Basic supplies will be re-ordered as needed. I have attached a registration slip for you to sign and return with your check, money order, or credit card authorization to me no later than August 8, 2010. This will allow plenty of time to get the initial supplies.
